Queries by the 3rd Councillor. — Replies

Sometime ago, I was told that the remission cases in the Chitaldroog Dt: have all been disposed of and now these cases have come up. Please see if any more are to be disposed of.

Secretary's Query.

Are there any more cases?

... Excise Comr: No: 3534/348 dt 14/3/96

(1) x Chickoblia --- Rs 1000-4-3.

(2) + Siddiah ---- Rs 118-7-4.

(3) Sandinkaria --- Rs 516-15-6.

Total 1636-3-1.

x not paid up

There are none on hand from the Chitaldroog District. The last report on the arrears due for the years upto 94-95 from the Excise Comr: shows that there are only 3 cases in which a sum of Rs 1636-3-1 is outstanding. In this office docket No: 3248/Ex 104 of 16/9/95 6 months' time has been given for the payment of the arrears due by Chickobliah. In the 2nd case coercive measures were said to be in progress; and in the 3rd a remission statement was promised to be submitted.

The Deputy Comr: may therefore be requested to report if the arrears due in cases Nos: 1 and 2 have since been recovered

Queries by the 3rd Councillor.

II. I wanted a statement of the remissions sanctioned by me in this and other Districts to be submitted to the Dewan. Has this been done? Let me see the statement.

Secretary's query

Where is this! I think I personally sported the remissions to Dewan.

III. What about the other Districts? I am afraid that many cases are yet to be disposed of in them.

Secretary's order.

Find out and do the needful at once.

Govt: asked for a narrative in respect of each defaulter in ~~the District~~ docketed No: 5211/Ex 168 dt 5/12/95. and the Excise Comms in his reply No: 2496/232 dt 10/12/95 merely refers to the letter as cyclostyled by that quoted at the head of this docket under advertence, the report sent does not give Govt: what is needed, as it is very meagre.

Subject:- Outstandings of the Kolar District from 1876/77 to 1893/94

Last Reference:- Excise Commissioner's No: 849/85 D/19/21 Aug/95.

In this Office No: 18148/2650 D/20th April/95 attention was called to the outstandings in the Kolar Dt. as per margin aggregating Rs 28,010-12-1 and explanation for the long delay in the adjustment requested. The first explanation furnished was not satisfactory and errors and omissions were pointed out -

2. A second explanation is now sent up, but the Dy Commr has taken the figures as per margin as given in the D.C.B statement for the month of June 1895 instead of those as given in the

the return for January 95 (vide margin of para 1 above of this note), and the amount has otherwise been raised from Rs 234-2-3 to 282-8-2 or by Rs 48-5-11. for which no explanation is given.

3. Against this year 92/93 only Rs 7263-11-9 was exhibited but now it is raised by Rs 1138-14-3 without any explanation

6. The return for ~~January~~ June 95 has not yet been received though this is the 10th Sept 94, in the Account Dept, So

to no explanation can be traced in this office for the foregoing differences.

7. Now as regards the items given in para 2 of this note for 1891/92 For items (F)(G) Rs 99-15-6 and Rs 180-4-8, the explanation afforded that they cannot be traced home to the parties concerned is very unsatisfactory and shows that neither the Deputy Commissioner nor in the Excise Commissioner's Office is there any check or scrutiny over outstandings maintained, and their prompt adjustment attended to. As regards Item (H) - Rs 2-8-4, there has been a great and unnecessary delay in its disposal and the Dy Comm is silent as to when he wrote to the Dy. Comm^r. I suppose Dh. on the subject & with what result.

8. As regards the items against 92/93; as the 1st item, the default of Rs 1594-9-4 outstanding from 92/93 and the Deputy Comm^r does not take action till July 1895. This appears to be the case also with the item (K) for Rs 5781-11-8.

The

The results of the references made should be reported. The remission of Rs 507-13-0 can be sanctioned but it is opined that it ought not to have been brought to book at all in the D.C.B returns, as it was the simple resale of a farm prior to the opening of the year, ~~and~~ which farm was eventually sold to another and duly brought to book. Draft put up.

9. The remission statement for item 2 should be asked to be expedited. The disposal of the items (m) and (n) should be asked to be effected at an early date.

1894-95 (1) 4569-4-10

The 1 item for 94/95 is a very serious case and no explanation is given how such a large sum was allowed to accumulate without taking action under the rules, at an earlier stage to obviate this heavy default arising. The Dy Commissioner says he has taken coercive steps in the 2nd case & should be asked to report result early.

Of these 26 cases there is one belonging to the years 91-92, (2) to 92-93 (4) to 93-94 which should be disposed of promptly In two of these 8 pending cases, the same farmers appear to have been given the same farm for the 2nd year while the outstandings of the ~~previous~~ year previous were allowed to remain unsettled. This is not at all desirable as will be seen this procedure is not exceptional in this District. A defaulter should not be given a farm at all. If there are exceptional grounds, in rare cases, the outstandings should first be settled ere a 2nd years farms are trusted to such doubtful customers. -

8. In 3 instances in 94/95 exceptionally large sums have been allowed to accumulate without the rules being enforced.

2. (Turn page) There is a difference of Rs 50-4-3 between the figures given by the Dy: Com^r & those entered in the Gen^l Return (as per margin) which needs explanation. The Dy: Com^r should be requested when the officer in question were referred to and as the matter has been so long outstanding otherwise efforts should be made with Mem No. 3014. to effect early disposal thereof.

In regard to the outstanding of 1893/94 item (3) Kolar there is also a difference of Rs 20/1/8 as per margin which needs explanation. There evidently has been great delay in the disposal of this outstanding which has not been satisfactorily explained. The attention of the Dy: Com^r should be invited without further delay.

The Dy: Com^r should be requested to thoroughly sift these figures forthwith & when the Municipality Deputy Col: Asst: Returns are brought up to date prompt & effectual steps to effect a clearance of the outstanding as evidently has not been done by the Dy: Com^r of Tumkur & Shimoga in which nothing appears on record to 1894/95.

The Excise Commissioner
in Mysore.

His No. 180-7/7, dated 14th July 1895, requesting that all the outstanding balances may be adjusted within one week &c.

With reference to the above, has the honor to forward a Kulwar Statement of arrears of Excise Revenue remaining uncollected up to date. It will be seen from the remarks entered opposite the several items entered in the Statement that coercive measures are being adopted for the recovery of all items except those recommended or about to be recommended for remission, and there is every probability of these items being cleared within the current month except the following viz:-

(1) Bajjanthere Rudra - Chitaldroog and

and Hiriyur,

(2) Bassappa of Hanchar,

(3) Chikkobali of Lokikere
Jamu, Davangere Taluk.

(4). Gosayee Imiriah of Hiriyur.

It is necessary that the coercive measures against these have to be cautiously taken, otherwise they will be rendered incapable of working the farms they have taken up this year and as there are no others who can take them up on the terms on which they have taken them; there may be a loss of revenue to Government. Every endeavour will be made to collect the other items and if any portion of them is found to be irrecoverable, the usual remission Statement will be sent in.

In reply has the honour to state that the undersigned was not in charge of the District when the sales were conducted, and no reasons recorded in writing are found in the records of this Office for which the farms referred to were given to the farmers who had still arrears of past years to pay. On enquiry made in this Office, however, it appears that there were no other persons who would take up the farms on the terms offered by the farmers named in the docket under reply, and it was then believed the arrears due could be collected without difficulty.

References (to be entered only in the Dewan's Office).

Submitted to the Revenue Secy. for orders.

II The Dy. Commr. called for explanation the circumstances which justified such large sums as Rs 4,694/9/9 (93/94) and Rs 16,430-15-2 (94/95) being allowed to stand over, without the Rules being enforced, in the years to which they pertained, & so long thereby delaying taking action against the defaulters.

III. The Inspectors are evidently actually the Farmers of the Mysore City for two distinct years & the ~~manager~~ Contractors for 93/94 were, therefore, debarred under the rules for paying immediately up with the Farm for 94/95. as he was a defaulter.

IV. The Dy. Commr. attention has been called to the large outstandings in the Mysore Dt. as far back as 20th Apr. last; and, subsequently, vide correspondence ending with J. from T. Ramanna and Sowcar

Begs to state that the arrears

Veeranna the Contractor for 1894-95
to Rs 16,430-15-2 making a total
of

of Rupees 2,125-9-0. For this both of them are liable jointly and severally because Sowcar Chicka Veeranna was the Surety to Ramanna in 1893-94 and Ramanna was one of the Sureties to Sowcar Chicka Veeranna in 1894-95. Towards the above arrears will be credited the Sum of Rupees 8740-14-7 being the Sale proceeds of the Government of India Pro-notes under reference received with the Comptroller's docket No. 2444 of the 5th November 1895. This reduces the arrears to Rs 12,384-10-5. Coercive measures are in progress for the recovery of the Same ie the other property of the defaulters is being sold.

Rs 78-8-3 and the local cess thereon being the arrear of the Gundlupete taluk have been remitted in Govt. Proceedings Rp. 4663-64/Exc 141 of the 16th November 1895. The balance of Rs 1000 against Hegga devenekote was recommended for remission by the former Deputy Commissioner in this office letter Rp. 1942 of the 1st June 1895. But as the Excise Commissioner declined to send up the recommendation to Government, orders have been issued for the recovery of the same as per Excise Commissioner's docket No. 5250/204 of

Rs 3053-12-4 is the amount due by Shamanna and Srinivasa Row Toddy Contractors in the Hunsur taluk. Its recovery has been stayed pending final orders of their appeal to Government and the Excise Commissioner.
